

UQFL228

Conrad and Gargett Collection

Size	ca. 1850 plans
Contents	Drawings of residential and commercial buildings in Brisbane and regional Queensland. Collection includes drawings by Atkinson and Conrad, Atkinson, Powell and Conrad, and Atkinson and McLay, together with plans by other architects, including George Brockwell Gill, C. W. Chambers and Lange Powell.
Date range	1890 to 1986
Biography	Charles McLay became Henry Atkinson's first partner in 1907 and their partnership flourished with both residential and commercial work. Arnold Conrad joined the firm in 1912, with Brenan Gargett joining the firm just before the start of the First World War. Upon Charles McLay's death, Arnold Conrad became Atkinson's new partner, and Brenan Gargett became a full partner in 1939 after Henry Atkinson retired. The architectural work of the firm includes Trades Hall, McWhirter and Son, Craigston Apartments, the <i>Courier Mail</i> Building, and the Empire (later St. James) Theatre in Albert Street.
Notes	Unrestricted access The collection is organised in the following manner: The collection is divided into four architect groupings: 1. Conrad and Gargett; 2. Atkinson and Conrad; 3. Atkinson and McLay; 4. Miscellaneous architects and architectural firms. Within the first three groups, residential and commercial plans are grouped and filed separately

Architectural plans and drawings

Note: Classification of buildings in column headed 'Type' is determined by the following system:

0 Planning areas

1 Utilities, Civil Engineering facilities

2 Industrial facilities

3 Administrative, commercial, protective service facilities

4 Health, welfare facilities

5 Recreational facilities

6 Religious facilities

7 Educational, scientific, information facilities

8 Residential facilities

9 Common facilities, other

A Alterations

N New

Classification of drawings in column headed 'No. of drawings' is determined by the following system:
