

UQFL239

Eric P. Trewern Papers

Size	1 parcel, 11 oversize folders (ca. 350 plans)
Content	Tracings, drawings, blueprints and linens and photographs and advertising material of residential and commercial buildings in Brisbane and regional Queensland. Also includes work of Alexander I Trewern, younger brother of E P Trewern.
Date range	[1919 to 1974]
Biography	Eric Percival Trewern was born in Bendigo, and worked as a draughtsman for the Queensland Public Works Department. He established his own architectural practice in Brisbane in 1920 and became an extremely successful residential architect during the inter-war period, especially noted for adapting the Spanish Mission and California bungalow styles to Queensland. He also designed commercial buildings.
Notes	Unrestricted access

Series A: Photographs

Parcel 1

Oversize photographs
