

# UQFL272

## Guy Broad Collection

**Size** 1 box

**Contents** Black and white photographs of Papua New Guinea, depicting Rabaul, Edie Creek goldfields, Wau, Samarai and Bulolo. Photographs of Rabaul include scenes of buildings, streets, harbour and boats. A series of 32 photographs record the eruption of Matupi volcano, Rabaul, May 1937. Scenes include the eruption, the crater, damage to the environment and property, refugees and the aftermath of the clean-up. Photographs have handwritten identifying notes on the back of each of them.

**Date range** 1928 to c1971. Bulk 1928 to 1937.

**Notes** Open access
