

UQFL445

Elizabeth Nesta Marks Papers

Notes Unrestricted access

Box 1

Folder 1

Identifications 1983-84

Folder 2

Hinchinbrook notes

Folder 3

Cape Tribulation 1982

Folder 4

1979 *Cx annulirostris* correspondence and some literature – D.J. Lee's common or type loc.

Folder 5

C. Annulirostris, also Hamlyn Harris report on rice field.

Folder 6

Photocopies, drawings incl *Macleaya*

Folder 7

Re *Macleaya* extracts ex Marks Notebook

Folder 8

Culex marking diagram NB literature, plus three photographs

Folder 9

Culex outlines 1981

Folder 10

Letter re annulirostris 4 8/81 incl spare copy and original – Discussion paper to Tox? Gp

Folder 11

Skusea Multiplex Theob., and Aedes (chaetocruimyia) wattensis Taylor [possibly part of Box 30 Folder 1]

Folder 12

Another two copies of part Index to species

Box 2

Folder 1

Notes for recognition new Sps.

Folder 2

Correspondence 1984-5 (not identification)

Folder 3

Correspondence 1974 general

Folder 4

Cocos mosquitoes – report forms and draft nos? – 1980-1983

Folder 5

Cocos Keeling - published reports – Campbell, Gibson Hill, other rep, also Campbell on Christmas Island

Folder 6

Notes etc Presidential Address: Aust Ent Soc 1976

Folder 7

Drafts – Presidential address to Aust Ent Soc – A common fellowship of Endeavour – correspondence re same?

Folder 8

March April 1970 – A common fellowship of endeavour – early drafts etc

Folder 9

Re research grants, 1979-1985

Box 3

Folder 1

Correspondence 1983

Folder 2

Identifications 1982, 1981

Folder 3

Keys - [?] Culex June 1970

Folder 4

Errors? Papers etc – 2nd Arbovirus symposium

Folder 5

Contributions for News Bulletin

Folder 6

Mosquito news bulletin – nos. 1-9, (1976-1982) corrected by E Marks – ENM definitive set, [plus mailing list and assorted notes].

Folder 7

Identifications 1984-1985.

Folder 8

Minutes Mosquito Control Committee (1942-1946)

Box 4

Folder 1

Identifications 1983

Folder 2

Typescript keys various

Folder 3

Typescript keys

Folder 4

Typescript keys

Folder 5

Identifications 1979-1980

Folder 6

Australian Biological Resources Survey (1979-1982)

Box 5

Folder 1

Correspondence [incoming and outgoing] 1959

Folder 2

Correspondence [incoming and outgoing] 1960

Folder 3

Correspondence [incoming and outgoing] 1961

Folder 4

Correspondence [incoming and outgoing] 1962

Folder 5

Correspondence [incoming and outgoing] 1963/2

Folder 6

Correspondence [incoming and outgoing] 1964

Folder 7

Correspondence [incoming and outgoing] 1965

Folder 8

Correspondence [incoming and outgoing] 1966

Box 6

Folder 1

I.M. Mackerras – biographical material and photographs

Folder 2

WA Dept of Conservation and Environment

Folder 3

Correspondence [incoming and outgoing 1967-1982] H.E. Paterson, C. A. Green, P. Liehne, S. Miles, A. Wright.

Folder 4

R. Hamlyn-Harris biographical information

Folder 5

Chart of common Aust mosquitoes etc

Folder 6

Western Queensland arbovirus field trip – Lake Bullawarra, 1976

Box 7

Folder 1

Correspondence, 1957-1965 [incoming and outgoing] between Dr J. van den Assem and Elizabeth Marks.

Folder 2

Correspondence, 1960-1969 [incoming and outgoing] between R. Slooff and Elizabeth Marks.

Folder 3

[Three folders of] correspondence, 1975-1979 [incoming and outgoing] between P. I. Whelan and Elizabeth Marks.

Folder 4

Correspondence, 1954-1967 [incoming and outgoing] between E. J. Britten and E.P. Hodgkin and Elizabeth Marks.

Folder 5

Correspondence, 1956 [outgoing] to S. H. Christian.

Folder 6

Correspondence, 1955-1967 [incoming and outgoing] between J. N. Belkin and Elizabeth Marks.

Folder 7

Correspondence, 1966-1977 [incoming and outgoing] between K. L. Knight and Elizabeth Marks.

Folder 8

Pioneer Mackay Rept 1984 and some correspondence

Folder 9

Gladstone reports 1979-1980 (3 folders)

Box 8

Folder 1

Correspondence, 1980-1986 [incoming and outgoing] between Richard Russell, A. W. Sweeney and Elizabeth Marks.

Folder 2

Correspondence (not identifications) 1984-1985 (3 folders)

Folder 3

Correspondence, 1955-1965 [incoming and outgoing] between P. F. Mattingly and Elizabeth Marks (2 folders)

Folder 4

[Correspondence, 1969-1977 incoming and outgoing between] J. S. Pillai and Elizabeth Marks (Culex Samoaensis)

Folder 5

[Correspondence, 1976 incoming and outgoing between] B. Engber and Elizabeth Marks

Folder 6

[Correspondence, 1974-1976 incoming and outgoing between] N. Rajapaksa and Elizabeth Marks

Folder 7

[Correspondence, 1978-1981 incoming and outgoing between] E. Brough, P. Hudson PNG, and Elizabeth Marks

Folder 8

[Correspondence, 1965-1971 incoming and outgoing between] D. Colless and Elizabeth Marks

Folder 9

[Correspondence, 1974-1982 incoming and outgoing between] E. Creutz and W. A. Steffen, and Elizabeth Marks – general tax

Folder 10

[Correspondence, 1961-1977 incoming and outgoing between] Alan Dyce, M. J. Muller, Ted Waterhouse and Elizabeth Marks

Folder 11

[Correspondence, 1963-1970 incoming and outgoing between] J. Bryan and Elizabeth Marks

Folder 12

[Correspondence, 1962-1964 incoming and outgoing between] L. J. Dumbleton, E. R. Nye and Elizabeth Marks

Folder 13

Gladstone reports 1977-1978 (3 folders)

Folder 14

Gladstone reports 1975-1976 (3 folders)

Box 9

Folder 1

Correspondence, 1980-1986 [incoming and outgoing] between W. H. Peters and Elizabeth Marks (including cards with drawings – *Culicoides proforma*) (1 folder, 1 envelope)

Folder 2

Correspondence, 1962-1968 [incoming and outgoing] between N. V. Dobrotworsky and Elizabeth Marks

Folder 3

Correspondence [incoming and outgoing] between J. L. Wassell and Elizabeth Marks

Folder 4

Bishop Museum – Gressitt, Hwang, Steffan

Box 10

Folder 1

Darwin 1977 (1 exercise book, 6 folders and loose notes)

Folder 2

Med and Vet course 1977

Folder 3

WHO Aegypti (4 folders)

Box 11

Folder 1

PNG 1978 - M. Alpers New Guinea Trip 1978

Folder 2

New Guinea trip Aug-Sep 1978

Folder 3

1982 Purari River

Folder 4

Purari 1982

Folder 5

Purari mosquitoes article in Junk publication

Folder 6

Purari Report correspondence 1979-80

Folder 7

Purari R. original

Folder 8

Queensland. Naturalists miscellaneous [includes envelope Kroombit, exercise book, Queensland Naturalists' correspondence

Box 12

Folder 1

Some notes towards Aedes paper daliensis?

Folder 2

Davidleea daliensis getting near final – references

Folder 3

Re Macleaya current 9/81 – Daliensis and sp. Nolbi?

Folder 4

Marks corrections [notes on Aedes (Davidleea) daliensis (Taylor)]

Folder 5

Mainly re daliensis – fig for N.Q. - Aedes

Folder 6

Ae adliensis et al – Whelan correspondence

Folder 7

Biographical material for portraits [material relating to Marjory Hawken]

Folder 8

Ms notes towards filariasis extracts for Rep DG HMS

Folder 9

[Notes on *Aedes (Davidleea) daliensis* (Taylor)]

Folder 10

Undescribed larvae and/or adults no. 19 – 173 (see list in index for location of notes)

Folder 11

Undescribed larvae no. 1-18, 27

Folder 12

Culex descriptions book 3

Folder 13

Correspondence (1970-1991) (various)

Folder 14

Unsorted loose notes relating to mosquito research on *Aedes Cunninghami*, *Culex* some 1970

Folder 15

Correspondence 1964 re conservation of fauna

Folder 16

Correspondence mainly Shire Councils 1986-1987 [and 1988]

Folder 17

Correspondence 1979-1992

Folder 18

Permit applications various (1985-1988)

Box 13

Folder 1

Gove 1971 correspondence – P. Kerridge maps etc

Folder 2

Gove 1970 report – School of Public Health and Tropical Medicine, Nabalco Co. Ltd, Investigation of Mosquito problems at Gove 2 Feb 1970 to 17 Feb 1970, M. Debenham, M. Hicks.

Folder 3

Gove 1971 report

Folder 4

Gove Report – Debenham, Hicks, Russell

Folder 5

Culiciformes with Theobald's photos, also Toponyia? Copies ex Belkin

Folder 6

Aedes culiciformis

Folder 7

Aedes drawings Sp No 160

Folder 8

Genitalia of 160

Folder 9

Envelope of drawings

Folder 10

Notes on Genera species and specimens, vol. 1, pp. 1-92

Folder 11

Notes on Genera species and specimens, vol. 2, pp. 93-280

Folder 12

Notes on Genera species and specimens, vol. 3

Folder 13

Notes on Genera species and specimens, vol. 4

Box 14

Folder 1

Notes on Genera species and specimens, vol. 5

Folder 2

Notes on Genera species and specimens, vol. 6

Folder 3

Notes on Genera species and specimens, vol. 7

Folder 4

Notes on Genera species and specimens, vol. 8

Folder 5

Notes on Genera species and specimens, vol. 9

Folder 6

Notes on Genera species and specimens, vol. 10

Folder 7

Notes on Genera species and specimens, vol. 13

Folder 8

Notes on Genera species and specimens, vol. 14

Folder 9

Notes on Genera species and specimens, vol. 15

Box 15

Folder 1

Noosa Parks Development Association

Folder 2

ACF [Australian Conservation Foundation] Correspondence re Downs Tour – ACF Northeast Regional Committee correspondence re Downs Tour 1969-1970

Folder 3

Correspondence R. D. Piesse (mainly) 1968-1969, with E.N. Marks (as Exec Ctee Member and Chairman Northeast and Regional Committee)

Folder 4

Queensland Conservation Council minutes and correspondence 1969

Folder 5

Cooloola

Folder 6

ACF Executive and Council papers 1970

Folder 7

ACF Northeast Regional Committee papers and reports received 1968 (including Southwood Brigalow block)

Folder 8

ACF Northeast Regional Committee correspondence 1968-9

Folder 9

ACF Northeast Regional Committee (NERC) correspondence 1969

Folder 10

Symposium on Conservation and Mining (1971, University of Sydney) programme

Folder 11

Agenda papers

Folder 12

WLPSQ [Wildlife Preservation Society of Queensland] literature

Folder 13

Symposium on the Conservation of the Australian Coast (1969, University of Adelaide) programme

Folder 14

ACF Executive C'tee Papers E1-E19

Folder 15

ACF Executive Committee Papers E20-E24, E26-E34

Folder 16

ACF Executive Committee Papers E35-E41, E43-E46

Folder 17

The Nature Conservation Council of NSW

Folder 18

ACF minutes and correspondence, 1971

Box 16

Folder 1

ACF ms reports, jnls for publications 1970

Folder 2

[ACF miscellaneous meeting] notes and budget statements

Folder 3

ACF Education and Training Committee

Folder 4

ACF Exec & c'tee miscellaneous papers 1969

Folder 5

ACF Executive C'tee minutes 13-29

Folder 6

ACF Exec. Ctee miscellaneous papers 1968

Folder 7

Preliminary report on conservation and controlled exploitation of the Great Barrier Reef, Harry S. Ladd, 1968

Folder 8

[Report forms – regular visits

Folder 9

[Block survey – Tingalpa. Block B, Section 3, 14 Jun 1943]

Folder 10

[Block survey – Tingalpa. Block C, Section 3, 14 Jun 1943]

Folder 11

[Block survey – Tingalpa. Block A, Section 3, 14 Jun 1943]

Folder 12

Main line survey 16 Jun 1943, also report forms nos. 31-33 and 37-43

Box 17

Folder 1

QPS – NSQ. Drafts of 'Presidential address of The Society's first hundred years : The Philosophical Society of Queensland 1859-1883, The Royal society of Queensland 1883-1959'.

Folder 2

[Exercise book with ANAHL – 1984 notes (1 p.) – newspaper cuttings

Folder 3

PSQ RSQ ms notes, possibly useful for Diggles

Folder 4

Aboriginal Ceremonial Grounds Committee 1962-1968

Folder 5

Marks talks

Folder 6

Pages from Millais Culpin's letters relating to entomology and the N.H.S. of London and Queensland

Folder 7

Loose notes relating to the history of the Philosophical Society?]

Folder 8

[Loose biographical notes on Peter Frederick Mattingly and also Elizabeth Nesta Marks]

Folder 9

Marks for filariasis typed captions and some ms notes additional to typed version

Folder 10

Typescript biographical memoir of Ronald Harry Wharton

Folder 11

[Forestry Road line survey 30 Jun 1943 also report forms nos. 27-29, 34-36 and 92]

Folder 12

Report forms – Foley (Tweed), Sprenger (Gympie), Mason (Maryborough), Roberts (Charters Towers), Warneminde (Roma)

Folder 13

Collector forms from George Henry Richardson (Burrum Shire) 1943

Folder 14

Report forms, single visits [various numbers]

Box 18

Folder 1

[Material relating to Silvester Diggles]

Folder 2

Correspondence, T.L. Bancroft to J.B. Cleland and T.H. Johnston (1910-1911) plus one letter to Elizabeth Marks from A.M.A. (1990)

Folder 3

[Correspondence (1982-1987) photographs from M. Moji and negative strip]

Folder 4

Correspondence, incoming and outgoing between Elizabeth Marks and S.H. Christian (1956-1982)

Folder 5

Correspondence re biographical information about E.W. Lines (1986)

Folder 6

Obituaries of scientists – historical papers by ENM and others

Folder 7

[Handwritten biographical notes about J. Bancroft]

Folder 8

Re Bancroft RSQ notes

Folder 9

[Material relating to Elizabeth Marks receiving the Belkin Award in 1986]

Folder 10

[Obituary – Stanley Hinton Christian]

Folder 11

Handwritten notes on Anne Bancroft's will 1985

Folder 12

The Bancrofts Semi final? drafts – letters from I.M. Mackerras

Folder 13

5 mounted slides of Mackerras, and photographic reprints of Bancroft, Diggles, Brooks

Folder 14

[Handwritten notes Diggles letterbook]

Box 19

Folder 1

[Collectors reports 27 Aug 1943-18 Mar 1944 Brisbane and environs]

Folder 2

[Mosquito reports to Health Dept]

Folder 3

South Pacific Commission reports and circulars (1951-1954)

Folder 4

Typescript article 'A plan for mosquito control in Queensland' *Courier Mail* 13 Jan 1943

Folder 5

Army reports and circulars (1942-1944)

Folder 6

[History of tree plantings in Sherwood]

Folder 7

Handwritten notes 'Entomologists together', letter from Ian Naumann re *Insects of Australia*, and funeral notice from *Courier Mail* for "Peggy"?

Folder 8

'A biographical history of Australian entomology' by Elizabeth Marks (typescript with corrections)

Folder 9

Handwritten notes entitled 'Entomology diversifies 15' possibly for 'A biographical history of Australian entomology' by Elizabeth Marks

Folder 10

Annotated copy of *Samford reminiscences* published by The Samford District Historical Museum 1986, plus loose photocopies of pen drawings of Samford buildings

Folder 11

QPS and RSQ members records on cards etc

Folder 12

Diggles, Bancroft also Ratcliffe, Bonne, Webster and misc.

Folder 13

Aust Dict biog Cockle Bailey – could be info to use for Diggles

Folder 14

Handwritten notes on Cockles, Sir Jas [for Australian Dictionary of Biography entry]

Folder 15

1959 History of Roy Soc Q – part of draft

Folder 16

Some correspondence re History of Royal Soc 1959

Folder 17

Notes and unused pages ms and original ms for '75 Years of Natural History'

Box 20

Folder 1

Publications inscribed to Silvester Diggles and George Diggles

Folder 2

Photocopy of pages from *Sketches taken during the passage the Bark William Ernst from Liverpool to Sydney...* by S Diggles 1853, accompanied by minutes of ESQ meeting recording Marks' presentation on Diggles

Folder 3

Entomological Society of Queensland presidential address 14 Mar 1954

Folder 4

Mss of unpublished addresses by ENM 1968-1970

Folder 5

Ms for *On being a taxonomist*

Folder 6

Corrected and annotated version of 'The Natural history of mosquitoes' – unpublished address to Field Naturalists Club of Victoria on the occasion of receiving the Australian Natural History Award

Folder 7

Chapter additions and corrections Pat's Entomology

Folder 8

Marks set of Gladstone Rept

Folder 9

['Dramatis personae: an anecdotal account of some historical figures' (Typescript) ; 'Convict paintings of Australian insects' (1 l., typescript)

Folder 10

Nature notes – 'A reptile farm at Camp Mountain?' (typescript 2 l. - 2 copies) – 'Identifying a native rat' (typescript 2 l. - 2 copies)

Folder 11

Exercise book with nature notes (handwritten)

Folder 12

Letters, 1903 from T.L. Bancroft to H. Tryon – sorted out in DPI? By J.H. Simmonds? And given to ENM for historical purposes.

Box 21

Folder 1

IFUW Conference 1965, re Sections and excursions

Folder 2

Entomological Society of Queensland minutes (Dec 1943- Dec 1944)

Folder 3

Entomological Society of Queensland minutes (1945)

Folder 4

Entomological Society of Queensland minutes (1946)

Folder 5

Entomological Society of Queensland minutes (1947)

Folder 6

Entomological Society of Queensland minutes (1948)

Correspondence 1984-1985

Folder 9

Field report sheet E.N. Marks – Myora Springs, Stradbroke Island and Amity

Folder 10

Correspondence re vol 3 – (1978-1984) including Prof D. J. Lee

Folder 11

Aust Ent Soc? Editorial board – includes two group photographs [unnamed, undated]

Folder 12

Statement on Proposal to the Entomological Society of Queensland for merging the journals of the two Societies.

Folder 13

Aust Ent Soc Group photos AOMS ; historical items, some corresp with Chadwick. Includes group photograph taken at Aust Ent Soc 2nd Annual meeting Armidale 1968 with note 'see Aust Ent Soc Bulletin for names'

Folder 14

Ent Cong – ENM (not V.P.)

Folder 15

ENM re IFUW Congress in case may be helpful – with list of articles for vol. 17 no 3 & 4

Folder 16

Miscellaneous notes including material relating to Entomological Society of Victoria and its history (1972), correspondence with Australian Entomological Society (1972), and correspondence relating to appearance at House of Representatives Select Committee on Wildlife conservation (1971)

Box 23**Folder 1**

A-Aegypti 1970-83 report – all remaining copies

Folder 2

Taxonomic Group

Folder 3

Translation of *The Dipterous fauna of New Zealand as a problem of systematics and zoogeography* by Willi Hennig

Folder 4

Letters – E.N. Marks regulation 13A (1977)

Folder 5

Letters – E.N. Marks (1966-1976)

Folder 6

Loans and permits for specimens sent overseas (1936-1990)

Folder 7

1989? [Letter, cuttings and one copy Ipswich sketch book published by Ipswich Branch of the Arts Council of Australia (196?)]

Folder 8

Notes relating to Field Naturalists' Club including list of members ; copy of list of members of Field naturalists Section of royal Soc. made by Geo Watkins (189?)

Folder 9

Correspondence re relative who attended Abbotsleigh School, and letter to I.M. Mackerras re presidential address (1976)

Folder 10

QIMR quarterly scientific report, Feb 17 1976

Folder 11

Nature note – Camp Mountain commentary, plus handwritten notes on 'Man made lakes and human health' (2 l.), letter from J.I. Tonge re malaria (10 Mar 1976).

Folder 12

Collins notebook 1347 single cash with handwritten notes

Folder 13

October meeting on 13A and subsequent corresp. (1976-1979)

Folder 14

Aust Ent Soc Constitution Committee 1980 & ENM ms

Box 24

Folder 1

Notes and drawings for *The subgenus Ochlerotatus in the Australian region*, with photographs including two photographs of J.L.H. Wassell

Folder 2

Notes and drawings related to Notes on the Subgenus [word illegible possibly Chaetorunanya?]

Folder 3

Notes and drawings for Marks & Nye *The subgenus Ochlerotatus in the Australian region*

Folder 4

Maps, notes, plates and drawings on graph paper mainly relating to new species of *Aedes* in Northern Australia

Folder 5

Drawings on graph paper mainly relating to *Studies of Queensland mosquitoes* Parts II, III IV

Folder 6

JU incl negs of some of my b&w slides [includes photographs and negatives relating to Dr Mark's mosquito research and also figures in Queensland history

Folder 7

Anopheles folder [includes reprints, photocopies, negatives

Folder 8

Notes for descriptions *Aedes* ie *Yerrallina*) adults, *Aedes* (*Finlaya*), *Culex* (*Neoculex*), *Anopheles* (*Anopheles*) new *Macleaya*

Folder 9

Notes for descriptions *Topomyia*, *Finlaya*

Folder 10

Notes for descriptions *Aedes* (*Aedes*) L & P

Box 25

Folder 1

Burdekin 1980 – includes maps, correspondence (1980-1981), notes, field report sheets

Folder 2

Small spirax notebook (Aug 1954) with notes about Low Island, and 'Tongan larval collections : B.H. Kay May 28-June 27, 1981' (2 l.) typescript

(Following folders were tied together labelled *Verrallina lophoceraomy* descr notes figs)

Folder 3

A. ballowi? = 52

Folder 4

A. montano castrensis no. 53

Folder 5

A. quadrispinatus also drawing of anduphane?

Folder 6

Miscellaneous Australian spp undetermined spp *A. leilae* & Harrisons letter no. 52

Folder 7

Aedes (*Aedes*) general

Folder 8

NG miscellaneous *Aedes* – *neomacrodexoa*, *folioformis*, *Finschhafen* species, *sentanus* spp near *foliformis*

Folder 9

A. carmentis?

Folder 10

A. semilis and *parasimilis*?

Folder 11

A. funereis?

Folder 12

A. lineatus

Folder 13

Papers in press 1957-8 [correspondence]

Re S. Christian

Folder 9

Bancroft ms various stages, late stage

Folder 10

Aust Ent Soc correspondence I.M. Mackerras to 1967 re obituaries

Folder 11

Correspondence (1949) Newnham's and London School, 3 photographs

Folder 12

Award (AO), photographs of Dr Marks (1981-1985), photograph of Australian Natural History Award 1981, cuttings (1981) on Dr Marks, and 'Recent research on Queensland mosquitoes' (typescript), reprint of article 'Mosquitoes (Culicidae) of Kroombit tops by Elizabeth N. Marks (1976) *Queensland Naturalist*

Box 27**Folder 1**

Queensland Maps (14 items), aerial photographs of St Lawrence-Townsville Beach Protection Agency (1982) (15 items), 'Notes for Queensland Naturalists Club 1985 excursion to Jardine River Cape York Peninsula'

Folder 2

Material relating to mosquito research and bora grounds

Folder 3

Typescript material on mosquitoes - Marks – Pioneer shire and loose notes and correspondence (1983)

Folder 4

Correspondence Pioneer Shire Council to Elizabeth Marks

Folder 5

Graphs – Mackay 1982-3, typescript sheet 'Comparative summary – observed v predicted tides for Mackay' (Jan – Nov 1981)

Folder 6

Annual record of daily rainfall sheets Mackay (1982-3) with graph

Folder 7

Maps including 'An update of the study of the effects of urban expansion on canegrowing land, Mackay – existing land usage', graphs and one letter from Queensland Water Resources Commission Dec 1983 re water quality from Blacks Beach-Bucasia Area, Mackay

Folder 8

Re Mackay 1983

Folder 9

Graphs (1982)

Folder 10

Ms draft of 'An assessment of mosquito problems and proposed abatement measures in Leanyer and Marrara Swamps, Darwin' marked No. 3 copy but has some areas? not on no. 2

Folder 11

Gladstone set of Marks? Reports 1975-1979 (80) - material relating to mosquito problems and proposed Alcan Smelter site, Gladstone

Folder 12

Two typescript papers relating to mosquitoes and industrial developments in Australia

Folder 13

Misc notes on College? articles? - material relating to excursions in Queensland and Victoria

Folder 14

'Report of a mosquito survey of Mackay and portion of the Pioneer Shire, Queensland' by Elizabeth N. Marks

Folder 15

WHO reports (3 items) 1982-1983

Folder 16

'Report of an investigation of mosquito problems in the Mackay District 28th July – 6th August 1970' by Elizabeth N. Marks

Folder 17

Report on Mosquito eradication programme (Aug to Nov) 1983

Folder 18

Material relating to salt water mosquito control and identification of males and females of Australian Culex

Box 28

Folder 1

3 blotters with advertisements, one children's story book and notebook, and cutting re school prizes (undated)

Draft RSQ correspondence, 1948

Folder 2

'An assessment of mosquito problems and proposed abatement measure Leanyer and Marrara Swamps Darwin' by Elizabeth N. Marks (1977)

Folder 3

Re equipment needed ordered [Publishers catalogues and equipment supplies for entomology]

Folder 4

Re Congresses etc - Aust Ent Soc AGM & Kyoto

Folder 5

QIMR – includes material relating to Fellowship, correspondence 1973, QIMR reports, consulting and QIMR, China 1978, correspondence 1975-6, QIMR quarterly reports, and info for monograph proposal and Ann Rept 1982

Folder 6

Report forms North Queensland IV.1980 (see also red checked notebook incl Fiji G. Lawrence?)

Folder 7

Corresp with R. Kitching [and others] (1986-1989)

Folder 8

Loose notes and reports (1934-1991)

Folder 9

Low I. notes and correspondence re specimens (1954-1969)

Folder 10

Identifications, 1991

Box 29

Folder 1

'Report of a mosquito survey of Mackay and portion of the Pioneer Shire, Queensland' by Elizabeth N. Marks. (13 l. typescript)

Folder 2

Agenda and minutes of Mosquito Control Committee 16 Dec 1972; 'Coleoptera' by Henry Tryon (reprint from *Second Annual Report of the Administrator of British New Guinea*, appendix V, 1890)

Folder 3

Assorted notes including Field report sheets, notebook 'Hinchinbrook', notes for ms on Cape York, Hinchinbrook report from 1979, *N.Q. Report forms* 1982 [previously together in plastic bag]

Folder 4

'Explanation of tables' related to Subgenus *Macleaya* Theobald? (perforated computer printout)

Folder 5

Three envelopes marked Marks – *Macleaya*

Folder 6

Letter and card to George, 25 Oct 1980 from Pat (Elizabeth Marks), letter to Patricia from Kathleen? 6 Dec 1981.

Folder 7

Photographs of plates and notes relating to Silvester Diggles

Folder 8

'Records of *Aedes Aegypti* in Queensland' compiled by E.N. Marks (map) ; file cards with mosquito details including locations and bibliographic references

Box 30

Folder 1

Index to species 1-33 with descriptions (8 copies various)

Box 31

(Six folders tied together relating to Aedes vigilax project)

Folder 1

Mainly Aedes vigilax including corresp local authority light trapping reports 1968 and Report on aerial survey 1962 Moreton Bay and report on Gold Coast gammexane brick project 1963

Folder 2

Aerial photos of study area Moreton Bay – includes Redcliffe, Beenleigh, Caboolture

Folder 3

Bibliography A. vigilax (Syd)

Folder 4

Peter Brown review of literature on A. vigilax

Folder 5

Correspondence re A. vigilax (1968-1970) and some reports

(Following six folders tied together relating to ULV spraying Dibrom)

Folder 6

Aust Ento Soc Conserv Committee / ULV

Folder 7

Gammexane Bricks

Folder 8

Dibrom/ULV correspondence (1968-1970)

Folder 9

Contig Local Authorities Collection (1968)

Folder 10

ULV mainly spraying of Brisbane – press cuttings (1969-1973)

Folder 11

Dibrom/ULV meeting with Pesticides Registrar Board et al

Folder 12

Correspondence 1955

Folder 13

Correspondence 1956

Folder 14

Correspondence 1958

Folder 15

Correspondence 1959

Box 32

Folder 1

Mangroves – Copies of Florida submerged lands legislation and relevant papers (mainly 1967)

Folder 2

Dibrom

Folder 3

ULV reports

Folder 4

Drafts of article on Dibrom ULV

Item 5

Small blue appointment diary 1963

Item 6

Small brown appointment diary 1964

Item 7

Small brown quill memo book marked diary 1951-62

Item 8

Small brown utility diary 1966

Item 9

Kingsgrove diary 1975

Item 10

Kingsgrove diary 1976

Item 11

Kingsgrove diary 1977

Item 12

Small notebook marked E.N. Marks 1978

Item 13

Kingsgrove diary 1978

Item 14

Kingsgrove diary 1979

Item 15

Small black notebook marked NG paybook [appears to be a diary of New Guinea trip]

Item 16

Small black notebook marked 1960 overseas trip

Item 17

Small black notebook marked NG species

Box 33

Item 1

Small red notebook marked British Museum Amsterdam Leiden types etc examined 1984

Item 2

Spirax notebook marked locs for vicinus - numerical taxonomy – some notes idents NQ 1979

Item 3

Small grey notebook marked Re MVE etc also Charleville incl western bird localities – NQ seminars on vertebrates 1977

Item 4

Spirax notebook marked Linded skins? – rough book P.4640-

Item 5

Small exercise book marked New Guinea collections and notes 1978

Item 6

Small black notebook marked Notes on specimens incl types 1976 BM, BOBM, USNM

Item 7

Unnamed ringback folder with handwritten pencilled notes on mosquitoes

Item 8

Exercise book marked notoscriptus colony

Item 9

Exercise book marked Index to W. Peters' New Guinea collecting sites

Item 10

Unnamed notebook with typescript 'A study of variation in the mosquito *Aedes* (*Stegomyia*) *pseudoscutellaris* (Theobold) (167 l.)

Item 11

Brown ringback folder marked Notes on specimens including types 1968, 1960, BM (incl HMH), USNM, Amsterdam

Folder 12

Loose handwritten notes marked 'Biological notes on Cape York mosquitoes', and letter (1966) from P.F. Mattingly to Elizabeth Marks, reprint of biography of E N Marks, 1986

Folder 13

Notes on Australia spp? ex 1st loose-leaf notebook, with envelope of Macleaya to be answered

Box 34**Folder 1**

Loose notes typescript appear to be drafts of a talk on Robin Dodds and family 'Life in a Wickham Terrace household' by Elizabeth Marks

Folder 2

IFUW 1965 conference, correspondence with Queensland Gov't Tourist Bureau, invertebrates – notes finished with for time being, includes corresp & refs re coursework of invertebrates

Folder 3

The invertebrates letters re photos, includes negatives

Folder 4

Correspondence 1969-1976 mainly relating to proceedings honouring Alan Stone

Folder 5

Loose notes, correspondence and cuttings 1976-1991

Folder 6

Set of copies for F.N. Ratcliffe / D.L. McIntosh / ENM correspondence marked PL1-21 – duplicates of copies sent to PFS Liehne (1952-1959)

Folder 7

Ratcliffe and McIntosh correspondence for copying (1953-1957)

Folder 8

Ratcliffe et al correspondence (1953-1959)

Folder 9

1959 report forms including Binna Burra and Lamington National Park

Folder 10

Report forms various (1956-1959) including Heron Island, Cairns, Lockhart River, Bunya, Armidale and New Zealand

Folder 11

Mosquitoes of Rockhampton – report forms and correspondence (1956-1957)

Folder 12

Mosquitoes of Torres Straits and Cape York Peninsula – corresp with P.B. Wallis and ids of some NQ mosquitoes Ayr-Mosman 1957-1961

Folder 13

Health Dept replies Aedes Aegypti survey 1956-7

Box 35

Folder 1

Minutes of the Mosquito Control Committee, correspondence and reports (1948-1951)

Folder 2

Mosquito Control Committee Agenda and minutes (1943-1946)

Folder 3

Spare set of minutes of meetings of Mosquito Control Committee (1943-1947)

Folder 4

Expenditure statements Dept of Health and Home Affairs (1957-1962)

Folder 5

Mosquito Control minutes (spare minutes 1947-48)

Folder 6

Minutes of meetings of Mosquito Control Committee 1943-1948

Box 36

Folder 1

ENM'S set Ann Repts N. Mosq Cntrol Ctee 1954-1960 1-2-3

Folder 2

Minutes of Mosquito Control Committee (1943-1947)

Folder 3

Annual Report of the National Mosquito Control Committee 1955-1967, 1970-1972

Folder 4

Loose notes on *Aedes perlongiforceps* (1 l.); 1 packet photographs Marine midges (19 items), 1 packet negatives *Pontomyia?* Spp (8 items); handwritten 'Diary of trip to Ingham and Cairns districts 1946'; *Long excursion to Iron Range, Cape York* 2nd July 1988 to 17th July 1988 Queensland Naturalists Club Inc. ; letter to A.L. Dyce from Peter F.S. Liehne Sep 30, 1985 (1 l.)

Folder 5

Northshore Noosa River Resort groundwater studies (1986), plus report forms and notes (1987)

Folder 6

Re *Stegomyia* for vols 3 & 4 – current 1983-4

Folder 7

Correspondence from M J Rice re Proceedings of Senior Biology Teachers Course, Toowoomba, 1976, includes Australian Entomological Society Miscellaneous Publication number 4, 'Biological exercises with Australian insects'

Folder 8

Misc correspondence incl Sinclair, Whelan (Sep 1983-1990)

Folder 9

Mosquitoes of Atherton Tableland and adjacent areas, compile 9 Mar 1977 for Mosquito Control Ctee records & keys to *Uranotania*, figs of *Culex*

Box 37

Folder 1

Literature on Armigerei

Folder 2

[Card files including breeding places, mosquitoes Cape York Pen and Torres St Island, NT Records gen alphabetically, Rothampstead trap St Lucia 1967-8, toxorhybchites]

Folder 3

Small card file with some drawings – index to report sheets?]

Folder 4

Assorted loose notes (unsorted) and newspaper cutting 1986 on Dr Marks receiving Belkin award

Folder 5

Tipteroides for ENM 1973

Folder 6

Armigeres

Folder 7

Bironella

Box 38

Synoptic catalog of the mosquitoes of the world by Alan Stone, The Thomas Say Foundation v.6 1959, annotated by E N Marks

Annotated reprints of articles

Box 39

Folder 1

Ms drafts on mosquito research and *Circular Mosquito Key* by C M Meyers

Folder 2

ENM taxonomic notes (6)

Box 40

Folder 1

Report forms W.A. & N.T. Aug 1973

Folder 2

Report forms Blackdown Tableland & Eidsvold Sept 1974, also Runcorn, Amamoor

Folder 3

1970-71 [and 1972] report forms incl NQ coll Apr 1971 – includes Georgetown, Lake Eacham, Atherton and also Mt Tamborine

Folder 4

Identification and collections 1978, 1976

Folder 5

1978 identification – [field reports sheets]

Folder 6

Identifications of collectors 1972-4 including Bedarra Island, Nudgee, Camp Mountain, foothills of Mt Ballow, Cribb Island

Folder 7

G. Monteith collections (1963-1971)

Folder 8

Collection data 1969-70 includes Warwick, Theobald area

Folder 9

Identifications 1977 in 1977 Ann rept

Folder 10

1977 collections incl Lady Musgrave

Folder 11

Collections since 1 July 1971 includes Kerridge - Gove, Kay – W. Qld

Folder 12

Charleville (1974)

Folder 13

Identifications (Dept of Public Health) 1964-73

Folder 14

Identifications 1966-70 Shire Councils etc – Identifications miscellaneous to 30.6.70

Folder 15

Trip to N.Q. Collections May June 1973

Folder 16

Fraser Island report forms 1971

Folder 17

Collections 1971-2-3

Folder 18

Report forms 1974-1975

Folder 19

Hinchinbrook, Greenbank, Gumdale 1975 [report forms]

Box 41

Folder 1

Agenda items and draft reports, 1970-1980

Folder 2

Miss E.N. Marks notes (mainly 1945-1948) but one sheet 1981

Folder 3

Original descriptions (various mosquitoes) typescript sheets

Folder 4

Mosquito material mainly relating to Anophelines

Folder 5

Original descriptions (various) with 'Queensland species of which type are overseas in Europe' (typescript)

Folder 6

Extracts form Ann Trop Med & Parasit, vol. 41 1947 (typescript)

Folder 7

LHQ School of Malaria Control University (1944)

Folder 8

Folder 5

Corresp with DJL 11.79 – draft keys by Russell etc – includes Russell keys – current 1983-4

Folder 6

Ochlerotatus spares key Sep 79

Folder 7

Misc see notes on types of Ochlerotatus

Folder 8

Correspondence with D. J. Lee 1971-5, includes Ae Cunninghamsi, Tripteroides, Malaya, Coq

Box 54

Folder 1

Marks re NG collection (1976)

Folder 2

Collecting gear, notes

Folder 3

Marks Mackay 1947

Item 4

1980 Camp Mt [word illegible] notebook

Folder 5

Culex Sitiens group link breeding etc [foolscap notebook]

Folder 6

[Unnamed foolscap notebook with Index to Cx '92' and perplexus and '68']

Folder 7

Thoughts on vishnui? Setiens sub groups – notes on material in C.I.H.

Folder 8

[Unnamed foolscap notebook with Index to Cx '68 Cx '32' and Culex crinicauda]

Folder 9

[Unnamed foolscap notebook grid for Anopheles Farauti no. 3?]

Folder 10

Aedes [foolscap notebook with index to Aedes descriptions]

Folder 11

Descriptions etc – Culex descriptions Book 1 – notes on genera species and specimens vol. II)
[foolscap notebook}

Folder 12

Culex larvae notes for descriptions [foolscap notebook]

Folder 13

P/6000 [foolscap notebook appears to be referencing slides and report forms]

Folder 14

Larvae of identified species – Culicoides [A4 notebook]

Item 15

Diary, 1956

Box 55

Item 1

Framed photograph of Sylvester Diggles

Item 2

Framed group photograph Field Naturalist Camp Easter 1944

Item 3

Framed photograph of Pat Marks on horse

Item 4

Framed graduation photograph of Pat Marks

Item 5

Framed photograph of Pat Marks

Item 6

Framed photograph of Pat Marks

Item 7

Framed photograph of small group at IXth International Congress of Entomology, Amsterdam, August 1951, with postcard from Patricia to E O Marks

Item 8

Framed photograph of man [Dr E.O. Marks?] with possum on lap

Item 9

Framed photograph of five unnamed men [one possibly Dr E.O. Marks]

Parcel 1

Australian Natural History Award 1981

Institute of Medical Research Fellow Award 1983

Envelope 3

Draft manuscript of description of larva, pupa of *Ae daliensis* and *Ae culiciformis*

Envelope 4

Ae kochi

Envelope 5

Ae Geoskusea fimbripes

Envelope 6

Aedes Macleaya tremulus

Envelope 7

Aedes (Leptosomatomyia) aurimango?

Envelope 8

Aedes sp 160

Envelope 9

Cx vicinus

Envelope 10

Pseudosjusea multiplex

Envelope 11

Photocopies of Culex sp 92

Envelope 12

Cx crinicarda?

Envelope 13

Cx crinicarda?

Envelope 14

Original drawings of Culex sp 92

Envelope 15

Aedes culiciformis

Envelope 16

Cx 32

Envelope 17

Culex ann

Envelope 18

Culex "norm"

Album 1

Reel one, 7 negatives

Reel two, 25 negatives

1960 Vienna talk, 31 negatives

Gladstone Feb 1947, 4 negatives and 5 photographs
Ingham – Cairns etc June-July 1946, 13 negatives and 6 photographs
