Charles Jenkinson Collection

Size	1 box
Contents	Original manuscript for <i>Fifty years in North Queensland, with peeps into Papua, 1890-1940</i> . Includes original photographs used in the book.
Date range	1890 to 1940
Biography	Charles Jenkinson was a North Queensland identity, well known for his travels and adventures in the tropical North and Papua New Guinea in the early decades of the 20th century. He died in 1944, leaving this unpublished manuscript containing stories of his exploits. The manuscript remained in the possession of the Jenkinson family and was published by Charles' son Graham in 2006.
Notes	Open access
